

The Burden of Souls (Hawkers Drift) (Volume 1)

Small town, dark heart... A long way from anywhere, on a road going nowhere, lays a small town. It seems a peaceable, prosperous little place, on the surface at least. Away from prying eyes, in the shadows and the forgotten corners, there is a web being weaved through the lives of its inhabitants by the urbane and mysterious Mayor. A man prepared to make a deal for your hearts desires and, maybe, for your very soul Welcome to Hawk's Drift a town where nothing is quite as it seems
