

A lua de Hayek (Portuguese Edition)

Conto de Marcelo Ferlin Assami, autor de Quero dançar até as vacas voltarem do pasto. No futuro próximo todo aliado será um inimigo e todo inimigo será uma peça do jogo. A única vitória possível cabe a quem souber jogar nas sombras. Mas como projetar sombras se o Estado controla todos os elementos do tabuleiro? Um antigo inimigo do Comitê Central posicionara as próprias filhas como peças de xadrez.
