

## Echo Valley: Book Two: The Lions Mouth (Volume 2)

Detective Frank Bolton thought that being a constable in a village of Vampires, Lycan, Witches, and Shifters was a tough gig . . . until he was tasked with taking a group of high-school students on a field trip to the city of Spokane. It doesn't take long for ancient animosities and secret spells to lead to murder and mystery. Book two of the Echo Valley series takes up the story of the supernatural village introduced in Echo Valley: The Vampire Murders.
