

Hellboy Beasts of Burden Mignola Variant Cover

The paranormal activity in the outwardly charming town of Burden Hill has gone from bad to worse, as seen in Dorkin and Thompsons hardcover graphic novel *Beasts of Burden: Animal Rites*. Now the occult-investigating team of dogs (and one cat) need some serious help. Contact with the Wise Dog Society has broken off, leaving the team on its own, as a series of unexplained animal slayings have begun to occur. But magic can work in surprising ways, and help is brought to the team with the unexpected arrival of the Worlds Greatest Paranormal Detective. Evan Dorkin (*Milk and Cheese*, *Bizarro World*) and Jill Thompson (*Scary Godmother*, *Magic Trixie*) join forces with Mike Mignola (*Hellboy*, *B.P.R.D.*, *Witchfinder*, *Baltimore*) in an amazing one-shot bringing their supernatural worlds together!
