

The Last Snow Dragon

Dieter was stunned. It wasn't a lizard he had saved but a dragon! There was no way he could secretly hide a dragon for very long, let alone keep a dragon, especially after what the valley had been through in the past. His parents would be furious with him. Furious parents would be the least of Dieter's worries, for he had just brought home the last snow dragon of the winter queen Geal! Unbeknownst to his parents and brothers, Dieter and the snow dragon, Sneachta, set off to the realm of the winter queen Geal. Upon realizing his disappearance, Dieter's family becomes very worried. His brothers, Alec and Michael, eventually find him, and the three boys continue their quest to help Sneachta. Their path won't be easy though; they must face blizzards, saber tooth cats, and wyverns. To make matters worse, the Faerie of the Dark Night, Dorcha, will try to block their path! Can the boys help Sneachta make it home? Will they survive the Valley of the Dragons frozen landscape and Dorcha's attacks? Bundle up for adventure and magic as Alec, Michael, and Dieter attempt to help The Last Snow Dragon return home!
