

## CROCODILE STITCH DIAPER COVER for babies from Newborn to 12 Months: A lovely and adorable baby accessory!

This crochet pattern for a baby Diaper Cover in Crocodile Stitch is a handmade pattern by Emi Harrington (Hectanooga.etsy.com: <https://www.etsy.com/shop/Hectanooga> ) For more diaper covers, see this link: [http://www.etsy.com/shop/Hectanooga?section\\_id=6746351](http://www.etsy.com/shop/Hectanooga?section_id=6746351) For a SEWING PATTERN FOR A DIAPER COVER USING PURCHASED PANTS, see this pattern: <http://www.etsy.com/listing/80455523/sewing-tutorial-num-41-learn-to-make> Make this ADORABLE crocodile stitch DIAPER COVER, nappy cover, knickers, tushie cover... whatever you would like to call it, and dress up your little girl! I have included 21 photos of the process for making the crocodile stitch. Not for beginners... but for serious minded crocheters, a beginner just might be able to master this with some patience. A video link is also provided so you can see how this stitch is worked. Its very easy once mastered! These are just so darling! Its absolutely delightful in white, but white just doesnt photograph all that well, so I am showing it in pink and blue. Permission is granted to sell your finished diaper covers when using my patterns!
