

CROWNED: AN ORDINARY GIRL (Harlequin comics)

Ten years ago, Marianne had no choice but to accept the betrayal of the man she devoted everything to. When she saw the press conference for his engagement and realized that he was actually Prince Sebastian II, she couldn't believe anything about his love had been real. But her failed love affair is a thing of the past now, and Marianne focuses on her career as a historian. Unfortunately a cruel twist of fate brings him back into her life. Though she can't help wishing they'd never met, her feelings for him have only grown stronger.
