

Dawnbreaker (Legends of the Duskwalker)

The final audiobook in the acclaimed Duskwalker trilogy. Wren is living in Greenstone under the temporary care of Charles and Mol and the protection of Chapel. Unable to determine the fate of his mother and those he left behind in Morningside, Wren believes there is nothing left to do but wait for Ashers final blow...until a man named Haiku walks into the Samurai McGann, looking for Three. After learning of Threes fate, Ashers ascension, and Wrens gift, Haiku offers his help, and together they set out to find the remnants of House Eight and convince them to help. As Cass and the few who survived the fall of Morningside face overwhelming odds to escape Asher and the Weir, they realize it is impossible...until their daring and probably suicidal plan to strike turns out to have surprising results and unexpected discoveries. Back in Greenstone, one of the border cities likely facing Ashers next assault, Charles uses his network of influence to try to create a city defense. Jay Posey is a narrative designer, author, and screenwriter by trade. He started working in the videogame industry in 1998 and has been writing professionally for over a decade. Hes spent around eight years writing and designing for Tom Clancys award-winning Ghost Recon and Rainbow Six franchises. Jay has lectured at conferences, colleges, and universities on topics ranging from basic creative-writing skills to advanced material specific to the videogame industry.
