

The Demon Within

The Dark Demonic Lord begins his conquest of humanity, using a young human boy of magical but cursed Erlom legacy, and strange human clones who are commanded to create destruction in a Kingdom divided. It becomes clear that the Erlom boy and his mother, Mauread, are inexplicably linked to the Dark Lord. Magic has a mind of its own, its own consciousness, seeking to possess those who it inhabits. Magic is utilised by those who know how, in the form of priceless and powerful orbs. Can the distrusted Priesthood unite with the Knights of the Tanlaar to take on the new dark magical threat? Who will emerge victorious as a bloodthirsty and devious power struggle takes place in the secret underground passages of the Domeria Empire? Civil wars and fighting Warlords, traitors in the Emperors Court, and the use of dark magic to distort the space-time continuum fill this novel with sinister excitement, tension and bloodshed.
