You will be able to discover which training method (e.g. Motivational, Electronic, Clicker etc) will best suit you and your dog. You will also learn about the most important basic dog training concepts that every dog owner should know such as Reward or Ignore. Standard commands that all dogs without exception should understand and follow and some house manners and essentials that will improve your life if you intend to keep your furry friend inside your home. Here Is A Preview Of What You Will Learn... What Everyone Ought To Know About Dog Training How To Choose The Right Training Method The 4 Most Important Dog Training Concepts The 5 Standard Commands Every Dog Should Know House Manners For Dogs F.A.Q Frequently Asked Questions

BOOK #2: Dog Obedience Training: The Definitive Guide To Effectively Train An Obedient Dog Without Being A Dog Whisperer In Dog Obedience Training: The Definitive Guide To Effectively Train An Obedient Dog Without Being A Dog Whisperer you will learn the basics of obedience training and some important things you ought to know before embarking on this dog training journey. You will find out the benefits that dog training has to offer to you as well as your dog. There are quite a lot of devices related to obedience training nowadays and it can get quite frustrating if you dont know much on this subject or if this is your first attempt to train a dog. We will go through the most common and also essential devices that can actually make a difference and make it easier for you to train your

dog. If this is your first attempt to train a dog to obedience, or if you have tried before but were not quite successful at it, you have to know that there are some mistakes beginners usually make that can make the training process unnecessary difficult for both you and your dog. We will go through them one-by-one, so you can make sure to avoid them altogether and thus make the process a lot easier and more fun. There are a few commands that all trained dogs have to follow and you will be given step-by-step instructions on how to teach your dog each of these commands (Sit, Down, Heel, Come and Stay). Once your dog can successfully follow these commands, you can choose to kick it up a notch and teach your dog some more advanced commands such as Watch Me, Place and Steady (also with step-by-step instructions) as the training process never really ends if you come to enjoy it. Here Is A Preview Of What You Will Learn... Dog Obedience Training 101: You Ought To Know This Before Training Your Dog Obedience Training Devices - The Ones You Truly Need 6 Mistakes Beginners Usually Make and How to Avoid Them Basic Training: How To Properly Teach Your Dog These 5 Essential Commands Advanced Training: Three Advanced Commands For Dogs - Are You Ready To Kick It Up A Notch?
