

Dystopian Psych Volume 2

Dystopian science fiction writer Nicholas Stillman gives you even more of the darkest psychology of the future: The Separation On the eve of a nuclear war, a stubborn homeowner has one last chance to test his manhood by confronting a bunker monster. Not Knowing As an urban crime scene fades under snowfall and red tape, a sore loser cyber-detective invents a new brand of deadly karmic justice. The Fugitive Theory Suicidal spelunkers explore a one-way tunnel for a glimpse of alien fugitives, mankind's new God. Harsh Elements A manipulative woman scams a jug of gas from the wrong mana loner who can 3D print any nightmare imaginable. The Bridgers A fitness trainer must break people's addiction to watching a bridge slowly collapse...a bridge with thousands of cheapskates still crossing it. Buy Dystopian Psych Volume 2 now and see the dreadful direction of humanity.
