

In the Shadow of Angels

In the City of York, Alexander North inherits his father's bookshop, while struggling to find purpose to his own existence...until a mysterious stranger leaves a note inside a donated book.

After stumbling upon a secret and ancient guild of men named the Guardians of Angels, he is guided on a life-changing journey from which there can be no return.

With dark figures hiding in the shadows, angels being hunted and a voice on the wind, Alexander is drawn ever deeper into a world in which all are searching for one precious thing to help bring them salvation...the Book of Angels.
