

Lord, Ive Felt Like a Worm For So Long, Its Hard to Think Like a Butterfly

This book is for all the genuine not good enough people. Those least likely to succeed. The ones always chosen last or not at all. If you are an expert at blending into walls this book is for you. I have good news. You are chosen. Chosen and destined to succeed, and you were chosen before the foundation of the world. You are what the Bible calls the poor in spirit, which means you qualify as an heir to all the riches in the kingdom of heaven. If you are truly bankrupt in self-esteem, wonderful! You pass the test. The kingdom of heaven is on its way to earth and kingdom values are downside up. Last in line goes in first, the poor are rich, the simple are wise. So if you are self-confident and secure, certain you can make it all by yourself, this book wont make any sense at all. (Unless, of course, youre faking it.)
