

Magi: Book of Forsaken Futures

Magi: Book of Forsaken Futures(2013) by Shawn Allen Nichols Junior, (Not be confused with other works by other authors as unrelated) is a choose your own adventure written entirely in first person present. The flow of the story, as well as available characters and their alliance changes dependant on their choices and those of other characters. This cast of over fifty characters, over thirty the reader receives control of, ranges from Hale the light magic type to Rywho the apprentice of Death. The story opens to a man of quickly fading life and mind. Upon his death the torch passes to Hale Skyne and his other personality Newbie amidst a war between vampires and the Auk Mentar(werewolves) taking place in a deserted town. After filling the reader in on their world and situation, the torch passes again to Rywho Yu as his path to redemption tangles him in a new role as Deaths apprentice. From there, their choices and interactions set them on one of many tracks, leading to one of 95 different endings. So, what will you choose and what will be your forsaken future?
