

Barking Benjamin: Kids Stories Not For Kids

Remember the stories from your childhood? Remember the fairy tales, the cartoons, and the talking animals? What if they were real? And what if there was more to their worlds than you knew? Gareth Barsby (The Werewolf Asylum) offers this anthology of childish stories with a darker twist. A teenage wolf fears the dreaded Hood. A rat learns about the seedier side of showbiz. A biker finds a talking alligator invading his home. A man with a strange power seeks the Ring of Charlemagne. And what do all these heroes have in common? They are all being observed by Barking Benjamin, a cartoon dog who wants the halcyon days of his past to return
