

## Funnyman #2: A Funny Type of Superhero

Funnyman #2 From The Creators of Superman. Now you can re-live (or, enjoy for the first time) these great adventures from two generations ago! The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version possible - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
