

Read My Mind

Think its easy to read minds? Roger Dumas thought it would be easy. His ability to read minds got him a college scholarship and a position at one of the top law firms in Orlando, Florida. Problem is, reading minds also means controlling what comes into your head. On top of that, Roger would learn what James Hoffman Kent had discovered: A centuries old international consortium wanted him dead. Read My Mind is the second volume in the OmiKron/Delta Series. Yes, Virginia. There are superhuman creatures walking among us.
