

The Restlessness (living dangerously in utopia Book 4)

Our universe is just right for Gia, Ana, Toga and Teo, who have formed a perfect family. The future looks bright for them and for our human civilization. Then the Restlessness strikes. Throughout the Disjointed Millennia, humanity suffers unbearable tragedy. Gia, Ana, Toga and Teo finally find a solution to the Restlessness. However, it entails Redesigning our Souls. Will this drastic measure mean the end of humankind, or will it be a new beginning?
