

Mental qui es-tu (French Edition)

Ce livre s'adresse à tous ceux qui se fatiguent psychiquement, qui cultivent un mauvais équilibre de soi, ceux qui ont toujours honte de ce qu'ils sont et surtout qui croient, jusqu'à l'absurde, qu'il faut être parfait pour réussir dans la vie. En effet, lorsque ces personnes s'intéressent vraiment à elles-mêmes, il devient beaucoup plus facile de soulager leurs symptômes psychiques. Pourtant, ces voyages intérieurs nous conduisent à mieux nous connaître et ces expérimentations se traduisent par une transformation profonde de notre être, même si les chemins pour y arriver sont parfois irrationnels.
