Sailing off the Bermuda islands to escape the tragic death of his fiancée, Drake guides his boat towards the radio signal of a mystery ship. Little does he know of the ship's connection with the legend of the Bermuda Triangle where he will soon find he has made the discovery of a lifetime; the lost civilization of Atlantis. Fighting his own inner demons and the hatred of many Atlanteans toward their Terran cousins, Drake uncovers a plot to secretly replace King Rhyllon by his tyrannical twin brother. Will he escape with his life from the Sentinels of Atlantis that guard their secret continent? In order to prevent a devastating war between two worlds, Drake must rescue the king's young son and heir to the throne, Cyrus, from his uncle and attempt the impossible; escape from Atlantis...
