

The Pregnancy Bond (Harlequin comics)

Today is Kellys eighth wedding anniversary. Its also the day her divorce from Jake, her famous journalist husband, has finally been made official. Jake is a daredevil who flies around the world and is never home. Not even on the day that she miscarried. In order to sever all ties with the past, Kelly cuts off her beautiful long hair and throws a party in her new home to celebrate her divorce. But Jake, who never wanted the divorce, suddenly shows up, rudely throws out her party guests and forceably kisses her!
