

The Last Innocent: Book One of Dimensions

Twenty-two-year-old Sarah Croshens life changes when the police kill an intruder in her house and she meets the handsome detective David Galpren. From there, the truth quickly unravels. She is a veiled Innocent and the world is not at it seems. Winged angels? Demons from Hell? Supreme mortals with supernatural abilities? Preposterous! But when a demon prince kidnaps her best friend, Sarah must fulfill a destiny she never asked for, or risk her friends life.
