

Tales of the Thief-City

It's been years since Rax Darkthorn escaped the hold of the thief-city, Nexi. The death of a friend, and his own addiction to the secrets that permeate the city, draw him back. In a city of secrets, dying gods, and doors to everywhere, Rax hunts the shadowy figure manipulating events. A trail that'll lead him to Nexi's secret. Collecting the 12 part series.
