

Waltzes From Der Rosenkavalier for Trombone and Piano By Richard Struass, Arranged By Ralph Sauer

Strauss's most well-known opera, *Der Rosenkavalier* has a most convoluted plot. However, knowing all its ins and outs are not necessary with Ralph Sauer's gorgeous arrangement of the suite of Waltzes for Trombone with Piano accompaniment. Written at the very end of the Romantic era in the early 20th century, the melodies are beautiful, the harmonies lush and the rhythms intoxicating. For advanced performers this 12 minute work will be a great addition to any recital.
