

The Hilen - Starlight Riders: Book One: The Oblivion Orb

The great weapons forges of the Malcoot are operating at full capacity, war is imminent. Human slaves toil ceaselessly to feed the hellish maws of the great furnaces. The Stones of Power, stolen by the great demon are being used to build a massive army of fearsome creatures. The wizard Bracol and his mentor, the huge dog named Runner, rally the defenses of Endoland. The Kariv dwarves commit to a full war footing against their ancient foe. The brilliant warrior-scholar Avian Whitley is King Graysons best hope to lead the fight for the humans but they aren't the only ones involved in the epic struggle. At the forefront are the Ancients, first beings of creation, the Avataria and their guardians The Hilen, riders of starlight, an ancient race created as the first line of defense against the unnamed. Zanzi the Hilen Guardian is named to do battle with the dread creatures of the Malcoots army. First she must find and retrieve the long lost artifact of power known as the Oblivion Orb. It lies hidden in the deepest depths of the most remote and forbidding mountains, guarded by Mizuchi a black serpent of incredible power. Without the Oblivion Orb there is no hope for the future of the world. The cold waters of the remote mountain lake hold a second secret and only by retrieving the Oblivion Orb will it be revealed. Time is running out for the Hilen and their human and dwarf allies, the unnamed ones army is poised to strike, if they are successful the world of life and light will be reduced to death and darkness.

Join Zanzi, Whitley, the First Ancient, Bracol, Runner and their friends as they strive to prevent the ultimate disaster. This is the first book of a trilogy it lays the foundation of characters, places and events that shape the next two books, The Book of Binding and The Stones of Power which concludes the trilogy. Dragons, magic, wizards, heroes and heroines, armies and perilous quests all the ingredients for a

great story.
